STORYTIME AT THE SEABOARD STATION RAILROAD MUSEUM

SUFFOLK, VA (April 7, 2022) The popular “Storytime at the Station” series is returning to the Seaboard Station Railroad Museum, located at 326 North Main Street in historic downtown Suffolk. Ideal for children ages three to seven, this interactive program is scheduled for 10:30am on both Tuesday, April 19, and May 17, 2022. Different transportation-themed books will be read aloud, followed by the opportunity to explore the museum (*children must be accompanied by a parent or guardian*). Each participating child will receive a take-home activity at the conclusion of story time. Featured books will be announced at SuffolkTrainStation.com and at facebook.com/SuffolkRailroadMuseum. Storytime at the Station is free and open to the public. Space is limited and reservations are encouraged. For information or to make reservations, contact the Seaboard Station Railroad Museum at 757.514.4135 or email VisitSuffolk@suffolkva.us.

Seaboard Station operated as a passenger station from 1885 until 1968, continuing as a freight station through the 1980s. After years of vacancy and disrepair, the structure was restored to its original stately grandeur by the Suffolk-Nansemond Historical Society. Now the museum stands as one of Suffolk’s most beloved landmarks and is operated by Suffolk Tourism. The Museum is open daily 10 am - 5 pm. Closed Thanksgiving, Christmas and New Year’s Day.
