In a brand-new Jumanji adventure, four high school kids discover an old video-game console and are drawn into the game's jungle setting...literally becoming the adult avatars they chose. They discover you don't just play Jumanji: you survive it. Racing against the clock to return to the real world, they must go on the most dangerous adventure of their lives and change the way they think about themselves, or they'll be stuck in the game forever. The all-star cast includes Dwayne Johnson, Karen Gillan, Kevin Hart, and Jack Black. This 2017 film is rated PG-13 and has a running time of 119 minutes.
